

Members meet at the venues below on Tuesday evenings during the summer for sketching & painting, then gather socially in the suggested pub as light fails afterwards. Saturday Life Workshops are also included in the programme and there are events on Sunday 7<sup>th</sup> June and Sunday 5<sup>th</sup> July. Any local artists are very welcome to come along for these Summer painting events apart from the evenings marked “Private function for Members only” as these are by invitation of the host for the event.
